Equipment Division
Principals & Partners for the Carolinas & Eastern Tennessee

Air Pollution Control Equipment & Systems

CCA Combustion / Peerless
SCR & SNCR NOx Controls
CFD Modeling
Over-Fire Air Systems

Dustex / Lundberg / Geoenergy
Custom Baghouse Systems
Circulating Dry Scrubbers
RTO & RCO Oxidizers
Wet ESP
DSI & ACI Injection Systems

Conifer Systems
RTO/RCO/CatOx
Direct Fired Thermal Oxidizers
Vapor Combustor Units
Carbon Absorbers
Wet Scrubbers
Rental and/or Portable Units

Heumann Environmental
Hi-efficiency Cyclones
Wet Scrubbers

Steam & Power Generation Equipment

CCA Combustion / Peerless
Custom & Low NOx Burners
Burner Modifications/ Boiler Tuning
CFD Modeling
Burner Management Systems

Rentech Boiler Systems
Fired Package Boilers
Waste Heat Boilers
HSRG's
Field Repair Services

Alstam
Duct Burners
Valve Racks
Burner Management

Elliott Group
Steam Turbines & Drives
Power Generation

Air Movement & Control Equipment

AirPro
Fan & Blowers
Dampers
Silencers

Barron Fan Technology
Custom Engineered Fans
Fan Repair Services
Multi-Clones
Dampers & Expansion
Joints

Norflex
Expansion Joints & Dampers

Air Emissions Measurement & Monitoring Systems

ATI CEMS
CEMS, PEMS, COMS, & CERMS
Calibration & Maintenance Services
EPA Reporting Services
